1.2 Product Information

Product Name: QuickVue hCG Combo Test (Catalog #: 20110)

Recommended Use: The QuickVue hCG Combo test is a one-step immunoassay intended for the qualitative detection of human Chorionic Gonadotropin (hCG) in serum or urine for the early detection of pregnancy. The test is intended for use by healthcare professionals only.

Components: Kit is composed of individually pouched test cassettes. Test strips within plastic housing, contain murine monoclonal anti-hCG antibodies.

Section 2 – Hazards Identification

2.1 Emergency Overview

Significant health effects are not anticipated from routine use of this material when following the precautions listed within the kit specific Package Insert, Universal Precautions and general safety laboratory practices. None of the components listed within this kit are considered hazardous as defined by the Occupational Safety and Health Administration (OSHA), the Canadian Workplace Materials Information System (WHMIS), or the European Union (EU) Directives.

When working with this kit we always recommend that employees wear appropriate personal protective equipment (PPE), including gloves, a lab coat and eye protection, and follow good laboratory hygiene practices to avoid any and all accidental exposure to workplace materials. Universal Precautions should be followed when working with any potentially infectious material.

Section 3 – Composition / Information on Ingredients

Component	Chemical Name	CAS #	EINECS #	Concentration (%)	Volume
SAFETY DATA SHEET (SDS) NOT REQUIRED FOR THIS TEST KIT					
There are no hazardous chemicals contained within this kit at concentrations that are considered hazardous to personal health and/or the environment.					

Other Information

Every effort has been made to adhere to the hazard criteria and content requirements of the U.S. OSHA Hazard Communication Standard, European Communities Safety Data Sheets Directive, Canadian Controlled Products Regulations, UK Chemical Hazard information and Packaging Regulations, and UN Globally Harmonized System of Classification and Labeling of Chemicals.
